

Air Conditioner Rental - Sales - Installation and Hire

Coolflo (Budget Unit) Portable Air Conditioner

- The Coolflo is an extremely adaptable stylish comfort cooler suitable for offices, portacabins, exhibitions, etc.
- Easy to use: the unit is simply wheeled into position and needs no permanent installation. All you require is a 13 amp power supply and an outlet to exhaust the warm air.
- An accessory kit is provided to vent the hot air.
- The Coolflo Features touch-pad controls, including electronic thermostat control. This enables you to control the working environment at the touch of a button.
- Optional air purifying function: two active carbon screen filters and an air screen in the air filter bar. This can rid the room of smoke and odours and can filter dust from the air.
- Dehumidification mode.

Technical Details
