

Air Conditioner Rental - Sales - Installation and Hire

PAC 3500

- With the same dimensions, the PAC 2600 and PAC 3500 differ only in their cooling power and weight. That means you get the optimum compact unit for every cooling requirement.
- Directive air output
- Variable fan speeds
- IR remote control
- Programmable 24-hour timer function for on/off times
- Removable air filter
- Compact design and minimum space requirement
- R 407C

Technical Details

Cooling Capacity(Btu/hr)	11,942	
Cooling Capacity(kW)	3.5	
Electrical Supply	230 / 50	
Fan Speeds	3	
Operating Range - Temperature (°C)	16 to 35	
Outlet Hose Length	1250 mm	
Power Consumption (kW)	1.35	
Dry Weight (kg)	38	
Dimensions (mm)	Height	855
	Width	510
	Depth	400
